

KidsQuest USA Trainer Information

Patti A. Chapman

R.R. #3, Box 600

Fairfield, IL 62837-9565

kids14christ@hotmail.com

Cell: (618) 925-2543

Alternate Phone: (618) 842-7345

Current Ministry:

KidsQuest Coordinator, Illinois District

Personal Information:

Married 20+ years to Terry Chapman. Four children: Ashley, Ryan, Vince, and Terra
Birthdate: December 31

Background Information:

Patti has worked in children's ministry for the past 25 years; serving the body as Senior Pastor, Children's church director, Puppet director, Sunday School teacher, Youth Leader, VBS Coordinator, Sidewalk Sunday School coordinator and Nursery worker. She has also worked in community summer youth programs, 4-H and other venues. Patti has a passion to see children won and kept for a lifetime. Having been a bus kid, she believes the church needs to reach out to the children and ultimately to their parents as well. Patti also has a bachelor's degree in elementary education.

Responsibilities in ministry:

Her responsibilities have gone from one end of the spectrum to the other. She relates that her father labeled her a "Jack of all trades" at an early age. She believes Jesus has taken that and stretched her talents in many and diverse directions.

Hobbies:

She loves doing crafts of all sorts, sewing, and decorating, especially redoing rooms. She teaches computers and CPR at the local community college.

Other Interests:

She is an avid follower of the Left Behind Series (stems from a love of the Precept upon Precept classes by Kay Arthur). She enjoys home schooling her children.

Goals for KidsQuest USA:

- ❑ Partnering with US children's pastors and then with missionaries on foreign fronts
- ❑ Reaching children of the US with the gospel – especially those who have not heard
- ❑ Solid follow-up materials for discipleship and further ministry in the home missions church "I love the power of evangelism but if it is not followed up all too many times the seed is plucked from the soil".
